## **Mallory Court Choose Cratos EPOS Solution for their new Restaurant opening in the summer of 2005**

Mallory Court Choose the Cratos EPOS solution for their new Restaurant which is due to open in the summer of 2005. A 100 Cover brasserie restaurant will be created in the former Groundkeeper's lodge which adjoins the recently launched Knights Suite Conference and Wedding facility. The cottage will include areas for private dining and small meetings.

"We already use the Cratos EPOS and Property Management System in our Hotel" said Andrew Grahame, General Manager of Mallory Court. "The Restaurant Diary Software will allow us to take Restaurant Bookings at our main Reception for both our existing Hotel Restaurant and New Brasserie which will then link automatically to the EPOS systems in both Restaurants".

Robert B Stuart, CEO of Cratos Hospitality Services Ltd, said "We have an excellent working relationship with Mallory Court and our Solution is able to adapt to the growth and expanding facilities of the Hotel."

"We have worked closely with SCC to provide a Citrix Server and thin client solution" said Jeremy Westcott, Operations Director of Cratos.
