Exeter Flying Club Install Cratos EPOS and Inventory Solution

Exeter Flying Club Install the Cratos EPOS and Inventory Solution. The EPOS system will sell flying lessons, rental of aircraft and shop items. Aircraft flying hours will also be monitored via the stock control system. Member's names and addresses can be stored and reports and mailings can then be produced. Members and Non Members can be charged different prices against the same PLU Code. Some items are charged at Zero Rated tax, and the system will be able to detail the amount of TAX charged for any period. The customer will also be given a receipt detailing the type of flying lesson / rental, landing fees and which aircraft was used.
