

Bradleys (Kings Lynn) Install EPOS and Handheld Solutions

A Brand new 40 cover restaurant in Kings Lynn install the Cratos EPOS and Handheld solutions. The restaurant has a wine bar on the ground floor, food served on the first floor and a garden patio where food and drinks are served.

Cratos supplied their Viper 2.5 Touch Screen Terminals for which they have the exclusive European rights. The new Symbol MC-50 wireless handhelds were supplied with the Cratos developed handheld order software. Orders are taken real-time on the Handheld units which are then automatically sent to the kitchen and bar preparation printers, providing the customers with fast and efficient service.

"Cratos is extremely delighted to provide a cost effective solution to Bradleys restaurant. The handheld solution we supplied will help achieve the high quality of service that Bradleys are aiming to achieve." said Alan Stuart, UK sales Manager of Cratos.
